RE: RADIATION REPORT

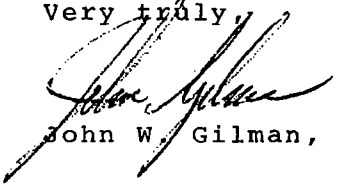

Dear Mr. Keaton:

I would appreciate a copy of the Radiation Report on the 24 + acre parcel fronting on Drane Field Road west of the Albertson Store at the corner of South Florida Avenue and Drane Field Road. We have enclosed a map to pinpoint the site.

In addition, I would like to request your pamphlet on radiation relative to construction requirements.

Your prompt attention will be appreciated.

Very truly,

John W. Gilman, Broker
